Hunt Known Youth For Cabin Murder On B.C. Mainland

Man Shot and Killed, Wife Beaten Near Deep Cove—Robbery Held Motive for Attack

NORTH VANCOUVER, Nov. 14 (CP).—Provincial Police posse aided by trail dogs searched the hilly North Shore bushland tonight for an 18-year-old youth they said was wanted in the brutal shotgun slaying of Robert F. Teeporten, 39-year-old handyman, and the beating of his wife at the homestead site near Deep Cove.

They identified the youth as Donald Russell, of North Vancouver, a friend of the Teeporten family who had been staying with them the last two days. He is believed carrying a shotgun and a hunting knife.

Police were alerted after Mrs. Teeporten, bleeding from the head from a beating with a piece of wood, rushed to the home of a neighbor. Later the body of Teeporten was found near the house. He had been building not far from the Teeporten cabin at the tiny community of Woodlands. He had been shot twice.

Police said Mrs. Teeporten told them the youth had come into the cabin, demanded the keys to the Teeporten car and money. When she demurred, he beat her with a stick of wood until she was unconscious, then apparently fled taking the car keys with him.

An infant daughter of the Teeportens, Sandra, lay asleep in her crib in the cabin while the youth beat her mother.

Police found the Teeporten car with the keys jammed in the lock. A wrong key had been jammed in the ignition switch and had stuck there.

Officers said from Mrs. Teeporten's story it was evident Teeporten had been shot before the attack on his wife, who reported hearing two shots prior to the appearance of Russell at the cabin.

Communist Mission Is Abortive

Chiang Convenes National Assembly

NANKING, Nov. 15 (Friday) (AP).—The Chinese National Assembly convened today despite a warning from the Communists—who refuse to attend—that this meant an irrevocable split in an already strife-torn China.

Generalissimo Chiang Kai-shek, who ignored the Communist warning, addressed the opening session and hailed it as the beginning of a constitutional government in China.

The Communists, who had refused to name delegates unless Chiang's army "disgorged the territory won in civil warfare since January, were clearing out of Nanking, but still left the door open for negotiations.

New Power Development Will Triple B.C. Output

SAN FRANCISCO, Nov. 14 (AP).—Growth of population and industry along the Pacific Coast has cut across the Canadian border into British Columbia.

W. F. Boyle, general manager of Pelton Water Wheel Company, made that comment today in noting his firm had joined with Canadian Westinghouse Company and Vancouver Engineering Works in a power development that is designed ultimately to triple British Columbia electric generating capacity.

The job is installation of a 62,000 horsepower turbine at Selson Lake, some 130 miles northeast of Vancouver. It will be the first of ten such power generating units to be installed by the British Columbia Electric Railway Company. Pelton is building the water wheel that will take the impact of the 1,113-foot drop of Bridge River water.

Oriental Calculator Battles Modern Mechanical Gadget

NEW YORK, Nov. 14 (AP).—Twentieth century mechanical genius and the centuries-old Oriental abacus battled it out here today.

The winner: A smiling little Chinese student and a bunch of wooden beads in a wooden frame.

The contest was believed to be the first public demonstration in the United States after a Japanese in Tokyo showed that modern calculating methods aren't so modern after all.

P. T. So, who is studying at Columbia University to be a banker, sat at a small table in a radio studio beside Miss Dorothy Boudreau.

Newer Models Not Promising

OTTAWA, Nov. 14 (CP).—Automobile buyers' chances of getting new models next spring will be "just about as difficult" as now, the Reconstruction Department reported today.

Though tires and batteries should be plentiful by then, continuing shortage of sheet steel for bodies was expected to limit production during the winter.

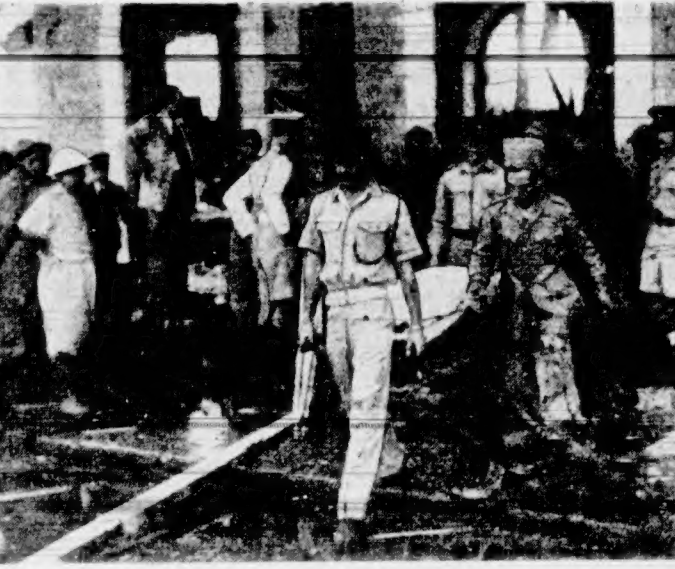

The steel shortage—aggravated by the recently-ended general strike of primary producers—has hit hard at car manufacturers, it was stated.

The Ford Motor Company of Canada has laid off a large number of workers at its Windsor, Ont., plant and cut production from 460 to 300 cars and trucks per day.

Battered Jerusalem Rail Station After Bomb Blast

A VOICE (unidentified) telephone-voice authorities and told them the railroad station at Jerusalem would be blown up. Forty minutes later the area was rocked by three successive blasts, and the above picture, first official photograph of the scene, shows what was left of the station, blasted by three suitcase bombs. One police sergeant was killed and officers are removing the body on a stretcher. The sergeant lost his life when he attempted to remove one of the suitcase mines before it blew up. He was trapped and killed by the blast.

Assaults on Greek Territory Assuming "Undeclared War"

ATHENS, Nov. 14 (AP).—Premier Tsaldaris charged tonight that a "savage" attack, originating from foreign soil, had been made on the Greek village of Skra and declared the fighting there was a continuation of similar attacks along the entire Northern Greek frontier.

The attack on Skra—located on the traditional invasion route northwest of Salonika—was made within two and a half miles of the Yugoslav border, the Premier said.

He added that the attackers fled into Yugoslavia.

Another Government announcement said that part of the band attacked across the Yugoslav border. It said the battle there was the most vicious encountered thus far between the Greek military and Leftist bands.

Mr. Tsaldaris himself described the affair as constituting the "most savage attack" ever made on a Greek village. Reports of this battle plunged the Government into a series of emergency conferences with political and military leaders, including heads of the British forces in Greece.

Skra, a Vardar River valley village, is located in an almost inaccessible mountainous area. It is about six miles south of the Yugoslav border.

The Government announcement said that before the attack was launched telegraph and telephone lines in the vicinity of the village were cut and roads mined.

The attack on Goumenitsa was declared to be continuing.

Meanwhile, it was officially announced that the Minister of War, the Chief-of-Staff and other Government representatives were flying to Salonika tomorrow.

The situation was admitted unofficially as assuming "the clear character of an undeclared war against Greece."

Mr. Shaw said the Labor Party had "no foreign policy," a statement which he said also "is true of Russian diplomacy."

"Stalin knows better," he commented. "But Molotov's Danubian policy seems to us an exact copy of Churchill's."

He said that the Labor Party had "no foreign policy," a statement which he said also "is true of Russian diplomacy."

Dissident Labor Group In British Parliament Urges Swing to Russia

Member Attacks U.S. Policy as War-Making Says Britons Will Refuse to Follow Bevin

LONDON, Nov. 14 (AP).—Labor Member Tom Driberg told the House of Commons tonight that Britons would refuse to follow Foreign Secretary Bevin "to war, now or in five years' time, against Soviet Russia in partnership with the barbaric thugs of Detroit or the narrow imperialists of Washington or Wall Street."

Mr. Driberg—one of more than 80 Labor Party members demanding that their Government make a swift change in British foreign policy—declared that the United States was inflamed with "war fever."

Capping a free-hitting debate in which other Labor members attacked Britain's close ties with the United States and urged greater friendliness with Russia, Mr. Driberg said: "The United States was the only great power in which some 'ordinary people wanted war.'"

War fever, he continued, "was inflamed all the time by the more disgraceful newspapers, such as those of Hearst and McCormick."

Mr. Driberg accused American newspapers of playing up to the maximum what he described as the hysteria aroused by the shooting down of a United States plane over Yugoslavia without giving a suggestion that there might be another side of the story.

He was interrupted by Brendan Bracken, a Conservative, who said that "several hundreds of thousands of young Americans died in the war and he (Driberg) should refer to the country more civilly."

Earlier Labor Member W. N. Warby, one of the signers of a petition calling for modification of Britain's foreign policy, urged Prime Minister Atlee's Government to drop "this one-sided section association with the United States."

"Let us try, at long last, the policy of equal friendliness and equal frankness towards both the Soviet Union and the United States," he said.

Outside Parliament, D. N. Pitt, an Independent Labor Member of Parliament, told his constituents: "The last thing we should do is to gang up with either of the Great Powers against the third, but there is every sign we are gangling up with the United States."

Earlier Anthony Eden asked that Britain halt shipments of reparations to the Soviet Union from the British zone in Germany unless the Russians make "a full and adequate contribution to the war effort."

Would Sign An Alliance On Security

France Sets Out Plan for Britain

PARIS, Nov. 14 (Reuters).—Maurice Thorez, French Communist leader and vice-president without portfolio in the French Provisional Government, said tonight "we would sign an alliance with Britain tomorrow if we got a settlement of the German problem which gave us reasonable satisfaction."

Speaking after his party announced its claim to the post of President of the French Government following its emergence as strongest single party in last week-end's elections, Mr. Thorez said in an interview that France needs security.

He defined security as meaning absolute control of the Ruhr and prolonged occupation of Germany, liquidation of Fascism, effective disarmament of Germany, and economic union between France and the Saar.

"We criticize the Anglo-Saxon attitude towards Germany because to build up Germany in the way they seem to propose means German domination again."

He added that the attackers fled into Yugoslavia.

Another Government announcement said that part of the band attacked across the Yugoslav border. It said the battle there was the most vicious encountered thus far between the Greek military and Leftist bands.

Mr. Tsaldaris himself described the affair as constituting the "most savage attack" ever made on a Greek village. Reports of this battle plunged the Government into a series of emergency conferences with political and military leaders, including heads of the British forces in Greece.

Two Departments Save Automobiles

Quick action of the Colwood and Drydock fire brigades last night saved the Wilson & Cabell service station at the Colwood corner of the Island Highway from what firemen termed "complete ruin."

Five cars were removed as the 12-man crew battled to stop flames from spreading to adjoining buildings.

Wisner Sets Up Board To Revive Borstal Plan

Attorney-General Gordon S. Wisner yesterday set up an inter-departmental committee to start work on plans for the re-establishment of a Borstal institution for delinquent boys.

Headed by J. Pitcairn Hogg, legislative counsel, representing the attorney-general, the committee will include representatives of the departments of education, finance, health and welfare, Mr. Wisner said.

It will work out detailed plans covering a curriculum of training, discipline, administration and general operation of a new institution in which greater emphasis will be laid on education.

Mr. Wisner said some mistakes had been made in the organization of the New Haven Borstal home opened in 1927 and closed by the late Hon. R. D. Maitland as attorney-general in 1942. It is to avoid any such mistakes in the establishment of the new home that the inter-departmental committee will begin its work here next week.

It is expected that Magistrate H. S. Wood and Vancouver probation officers will attend the committee's first meeting in Victoria.

When the committee's blueprint for the set-up of the home is complete, Mr. Wisner will take it to Vancouver for a meeting with representatives of the John Howard Society and organizations and prominent citizens interested in the problem of juvenile delinquency.

GORDON S. WISNER

West Coast Maritime Tie-Ups Draw Near Final Settlement

SAN FRANCISCO, Nov. 14 (AP).—A settlement on all points of dispute between Harry Bridges' C.I.O. longshoremen and the Waterfront Employers' Association has been reached, Federal Mediator Nathan B. Feinsinger announced late today.

The shipowner differences with the longshoremen, one of three unions involved in the West Coast maritime strike, had threatened one of the big barriers to an end of the 45-day waterfront paralysis.

"Documents are now being drawn for the signatures of both parties," Feinsinger added.

The settlement terms, still subject to union ratification, did not take up the issues raised by the employers regarding the Coos Bay, Oregon, port tie-up.

This was a jurisdictional matter, Feinsinger said. He already had met with Harry Lundberg, head of the A.P.L. Sailors' Union of the Pacific, in an effort to prepare for settlement of the dispute. The Coos Bay issue was not a point at issue between the I.L.W.U. and the employers, Feinsinger said.

Torpedo Car President Makes Charge

WASHINGTON, Nov. 14 (AP).—Housing Expediter Wilson Wyatt tonight announced he was formally requesting the Attorney-General to make "an immediate investigation" of the activities of an "unnamed attorney" in connection with a struggle between two firms for a lease on a Government-owned war plant in Chicago.

Wyatt's announcement followed statements by Preston Tucker, president of the Tucker Corporation of Chicago, a new automobile concern, that a private attorney who implied he had Government "connections" had offered to help Tucker keep its lease on the plant—in return for a six-figure consideration.

In exchange for the help, Tucker told reporters, the attorney requested \$400,000 in Tucker Corporation stock, a \$25,000-a-year position as New York legal counsel for the firm, and exclusive New York City dealer rights for 99 years on the projected Tucker torpedo car.

Tucker said he rejected the offer. The National Housing Agency subsequently ordered that the War Assets Administration turn Tucker's lease over to the Elston Corporation of Chicago for the manufacture of metal assembly-line houses.

Turkey Breeders Meet in Victoria

Suggested standards of broad-breasted bronze turkeys, minimum prices for poult and turkey eggs were discussed last night at the first annual meeting of the Vancouver Island Turkey Improvement Association at the Chamber of Commerce Auditorium.

Turkey breeders from Duncan, Ladysmith, Courtenay, Wellington and many other centres attended the meeting. President Charles E. Whitney-Griffiths acted as chairman.

The association, which was organized last month, is devoted to improving the standards of turkey breeding on the island. Among other things, types of breeders were discussed, and plans for a turkey experimental station at the University of British Columbia were made known.

Members also were told of the Vancouver Poultry Exhibition which gets under way December 7 to 10. Several cups for the best live bird and various classes of dressed birds will be presented at the show.

Bulgars Deny Greek Report

WASHINGTON, Nov. 14 (AP).—The Bulgarian political mission here issued the following statement: "The Bulgarian Telegraph Agency is authorized to deny as fantastic the Greek official reports distributed in the United States by the Associated Press (November 9) regarding 'a concentration of mechanized Bulgarian troops and planes near the Greek-Bulgarian-Turkish border.'"

(The dispatch was relayed by the Canadian Press on Sunday, November 10.)

U.S. Quits Albania

Because the Albanian Government of Premier Enver Hoxha (shown here) refuses to recognize treaties between the United States and previous Albanian Governments, Washington is withdrawing its political mission to that country, and will have no diplomatic relations there. The present Albanian regime has never been given official recognition by either Britain or the United States, and a recent Soviet-sponsored application for Albanian membership in the United Nations was rejected.

Dream Girls Arrive For Contest

VANCOUVER, Nov. 14 (CP).—Six prim packages of prairie pulchritude—the Manitoba, Saskatchewan and Alberta hopes for the title of Western Canada Co-ed "Dreamgirl"—in a University beauty contest here Saturday—arrived tonight, tired and with a need for make-up repair, but happy nevertheless.

The six campus choices of the Universities of Manitoba and Alberta and Regina College, arrived by air after a delay of some hours when fog forced their plane to take them to Patricia Bay, near Victoria, on Vancouver Island.

But Lee Armstrong and Pat Lebetter of Winnipeg, Marie Blondal and Jeanne Rogers of Regina College and Rosalie McIlfatte and Norma Shearer of University of Alberta said they'd be ready for the contest Saturday on the University of B.C. campus against B.C.'s blonde and brunette entry—17-year-old Marion Albert and 20-year-old Tina Howard.

They'll be busy tomorrow and Saturday they'll meet the judges—three impartial judges from across the line—who will decide the argument over which of the four western universities produces the most beautiful co-eds.

Urges Closer Tie With Russia

Continued from Page 1

British Press Association, referring to both moves as a "Labor Party Crisis," said:

"The Cabinet will give immediate consideration to what now amounts to a determined and defiant throwing down of the gauntlet by quite a substantial body of Government M.P.s."

"If either the foreign affairs or the conscription amendments were carried in the Commons it would mean the immediate resignation of the Government, because technically such an amendment constitutes a censure motion."

He called for closer relations between Britain and the countries of Western Europe, and said Russia's position would be stronger if "truly representative" governments existed within the Soviet sphere of influence.

Thirteen more Labor Party members joined the move to implement a revised foreign policy which they said would prevent "an otherwise inevitable conflict between American capitalism and Soviet Communism," bringing to 33 the number of dissenters. Approximately 20 others are opposing the Government's program of peacetime conscription.

Anti-Inflation Budget Presented to Australia

CANBERRA, Nov. 14 (CP).—Prime Minister Chifley today presented Australia with an "anti-inflation" budget which made no changes in high income rates, but sought to increase the purchasing power of the small wage-earner by the reduction of the sales tax on household essentials and clothing, the price of which has risen as a result of the

rent ceilings. These controls were applied during the war by National Security regulations which expire next month.

Although income tax reductions have been promised as they become feasible, it is reported that none are provided in the new budget, because the Government is awaiting the outcome of its case for a national 40-

per cent Australian arbitration court. The court also is due to take up the question of revising the country's national minimum wage schedules.

Treasurer Chifley said that in the last two years the Government has cut taxation by a total of about \$200,000,000. The most recent cut—announced last July—averaged 11 per cent. At present rates, a man with dependents pays \$50 on an annual wage of \$1,000 and \$700 on \$3,000.

The 7½ per cent sales tax on clothing is eliminated by the budget, and with the reduction of between 2½ and 15 per cent in the higher rates on household articles, Mr. Chifley said the Government's concession would amount to more than \$50,000,000. The budget also reduced charges on gasoline by a penny, which will cut Federal revenue by about \$5,000,000. Before reduction, the gasoline tax was 16 cents a gallon.

In connection with maintained national controls, rationing of sugar, butter and meat will continue. Except for clothing, expected to be in short supply most of next year, ration scales in Australia are generous and involve no severe hardships on the householder.

The Federal Government will make \$344,000 available to the State for the remainder of the fiscal year ending June 30, 1947.

Boundary Waters Under Discussion

EDMONTON, Nov. 14 (CP).—Proposed joint development of waters on the boundary between Alberta and the United States is an international problem, between the Federal Government and Washington, Hon. D. B. MacMillan, Alberta Minister of Water Resources and Irrigation, said tonight.

"Alberta has given all available information to the Waterways Commission, and we haven't any right to interfere in any decision they reach," was the only comment Mr. MacMillan would make on a report from Ottawa earlier today that improvement of water facilities on the boundary was under consideration. The improved facilities would be used for large-scale irrigation purposes.

Mr. MacMillan declined to make a statement on what proposals, if any, the Alberta Government made to the Waterways Commission. "This is an international problem. We haven't any right to interfere," he said.

Veterans With Homes Started Get Nails Under New System

Some veterans with homes actually under construction, who have submitted full and detailed particulars about themselves and the homes they are building, are

now receiving limited quantities of nails. Under a little-publicized scheme being operated through offices of the Citizens' Rehabilitation Council, in the Post Office Building, it is possible for such returned men to obtain nails with a special permit.

The nails—including limited amounts of practically all sizes—are received by the Citizens' Rehabilitation Council through the Department of Veterans' Affairs, which in turn gets them through negotiation with the Department of Reconstruction and Supply.

Personnel of the council stress that only veterans with homes started can obtain the necessary permits for the nails. It is the Department of Veterans' Affairs which finally authorizes delivery of the desired nails to the applying veteran. The goods are delivered at the office of the Citizens' Rehabilitation Council.

About 25 applications were received yesterday from veterans whose homes are far from completion due to various shortages, including nails.

DELEGATION TO CABINET

A delegation representing a group of Victoria organizations is seeking an interview with the Provincial Cabinet to request an increase in the cost-of-living bonus paid to old age pensioners.

In a letter to the City Council yesterday, Agnes L. Spolito, president of the auxiliary to the Old Age Pensioners' Association, No. 5, requested that a representative be appointed to accompany the delegation, seeking to "alleviate the plight" of pensioners.

At present the Dominion pays a basic pension of \$29 a month plus a cost-of-living bonus of \$5 a month, while the Province contributes another \$5.

NAVIGATION TOPIC

Use of astronomy in modern navigation was the subject of an address delivered last night by Cmdr. William Ogle at the Royal Roads Naval College before a meeting of the Victoria Branch of the Royal Astronomical Society of Canada.

Cmdr. Ogle showed three films dealing with the mathematical basis and reasoning behind astronomical navigation.

CANOEIST DELAYED

Melting snows and the lure of the British Columbia Interior have delayed Peter Burt, 26-year-old veteran who left here April 13 in an attempt to cross overland to New York in a canoe.

After reaching the Mainland, Burt made his way up to the Bella Coola River. There he found he would have to wait until the snows ceased melting on the Height of Land before he could move on, and to pass the time he helped round up cattle in the area.

Deepsea Shipping Increases Here

Deepsea shipping activity in Victoria is slowly reaching prewar proportions in so far as freighters and general cargo vessels are concerned.

S.S. United Victory, a British ship, docked at Ogden Point piers yesterday evening. She will take on 600,000 ft. of lumber for the United Kingdom.

Ten passengers for the United States, and a general cargo, will arrive here on board the Norwegian ship Sophocles this afternoon. The ship will enter drydock for cleaning and painting by workmen of Yarrow's Ltd.

Tomorrow the American vessel Jane G. Swisholm is scheduled to reach Victoria. She will load about 800,000 feet of lumber for South Africa.

Coroner's Jury Will Inquire Into Tragedy in Saanich Home

Inquest into the deaths of John Peter Lemieux, his wife, Nellie Laura, and their two-year-old daughter, Caroline May, will be held at 10 a.m. today in Sands Mortuary, Ltd.

Bodies of the three were discovered on Wednesday in their home, 3451 Doncaster Drive, Saanich. All were dead of wounds inflicted by a gun fired at close range. Police said yesterday they believed the husband had committed suicide after murdering his wife and baby.

Discovery was made by Mrs. Norma Martin, 508 Russell Street, who had been invited to luncheon. When her repeated knocking brought no response from the house, she went to the rear and noticed

Man Charged With Murder At Alert Bay

Davis Houston, 25-year-old half-caste Indian, was formally charged before the magistrate at Alert Bay yesterday with the murder of Mrs. Beatrice Smith, 43, whose body was found in her room at a Belize Inlet floating logging camp at 9 a.m. November 3.

He was remanded for eight days, according to a radio report to Provincial Police headquarters here. Accused's father, Ernest Houston, is being held as a material witness. Earlier, as the result of misinterpretation of radio messages from Alert Bay, police headquarters had said both father and son would be charged.

Reserve Army Recruiting Open Saturday

Eight Reserve Army units in Victoria will sound the call to arms Saturday opening a week-long recruiting drive to enlist up to 2,000 men in the non-permanent force.

Symbol of the campaign will be a searchlight set up on the grounds of the Legislative Buildings whose powerful beam will cut through the night all during the week. It will be operated by Interim Force men from Work Point Barracks.

In order to facilitate recruiting, a booth is being set up at the corner of Pandora Ave. and Douglas St. and will be open all day during the drive. Those wishing to enlist during the evening will be taken care of at the Bay Street Armory.

Recruits will get regular army rates of pay and extra trade pay for specialists, and all the units will go to summer camp. Almost every type of tradesman can be utilized in any one of the reserve units.

Units included in the drive are the 5th B.C. Coastal Regiment, R.C.A.; 1st Battalion, the Canadian Scottish Regiment, 66th Light Anti-Aircraft Regiment, R.C.A.; 5th Area Signal Squadron, Royal Canadian Corps of Signals; 13th Field Ambulance, R.C.A.M.C.; 46th Field Hygiene Section, R.C.A.M.C.; 50th L.A.A. Workshop (A) R.C.E.M.E. and 8th Anti-Aircraft, Gun Operations Room.

At the same time, a C.P.A. official said other controls over the textile industry are being reviewed and some may be "removed or revised soon."

Saanich Specifies Division Line In Next Month's Referendum

By a vote of four to three Saanich Council Tuesday night decided to amend the referendum to be submitted to voters in the December elections on the question of whether Saanich should be divided by specifying the line of division, according to Councillor Robert Noble.

As approved by the council the referendum now reads: "Are you in favor of division of Saanich municipality by a line drawn in an easterly and westerly direction from the intersection of Sayward and East Saanich Roads to the easterly and westerly boundaries of the municipality to form two district municipalities?"

As previously worded, the referendum merely asked voters whether they wished to see the municipality divided without specifying the line of division.

Councillors J. W. Casey, T. P. Alexander, Robert Noble, and W. C. Kersey are reported to have voted for the change, while Councillors J. L. Hobbs, George Austin and John Oliver are reported to have voted against it. Reeve A. G. Lambick cast no vote.

Sydney Pickles, president of Ward

6 Ratepayers' Association who attended the meeting, has levelled sharp criticism at the reeve for withholding reports of the proceedings.

"The matter of dividing the municipality is of vital interest to Saanich ratepayers, who should receive full and immediate information on the proceedings of this meeting," Mr. Pickles declared. He gave this version of what happened at the meeting after the vote was taken.

"The reeve first said he thought the motion was lost as it did not have a two-thirds majority. This suggestion was immediately protested, it being contended that only a simple majority was required on such a resolution, particularly as it left the final decision entirely in the hands of the ratepayers by the referendum. The reeve then stated he would declare the motion passed provided a majority of two-thirds was not legally required.

"The reeve then decided he had not voted and wanted to vote at this stage. This was prevented as he had already declared the motion passed subject only to legal advice as to the required majority. The reeve then said he would vote against the adoption of the minutes at the next council meeting and so make it a tie vote," Mr. Pickles declared.

New Traffic Signal Light Operating At Fort and Government Streets

NEW traffic signal light was placed in operation at Fort and Government Streets for the first time yesterday. Police Chief J. A. McLellan said the installation was authorized by the City Council a year and a half ago. Since that time the police department has been waiting delivery of some essential parts.

The council also recently authorized calling for tenders on a new type of traffic light for installation on Douglas Street.

Start Compensation Estimates On Flooding of Boundary Land

Officials of the Lands and Forests Department have begun work on estimates of the compensation that should be paid to the Province for flooding of some 7,800 acres of British Columbia land by a City of Seattle power project on the Skagit River just south of the international boundary, Lands and Forests Minister E. T. Kenney said yesterday.

Seattle has asked the Provincial Government to prepare its bill of damages as a basis for negotiations.

Timber stands in the area to be flooded were cruised some years ago, but values have since changed and it will be necessary for the Province to be cruised again before the Province can arrive at a figure, Mr. Kenney said.

Approved by the International Joint Commission set up in 1909 to deal with boundary water questions, the project is designed to augment Seattle's electric power by raising the height of the Ross dam on the Skagit River, backing water into British Columbia. It will not damage any settled areas in the Province, as the only ranch to be inundated already has been purchased by Seattle.

Jobless Veterans Growing Fewer

Although the number of discharged servicemen in Canada is increasing, the number of veterans still unemployed is decreasing considerably, according to a report from the Department of National Defence.

A report from the Department of Labor shows there were only 45,000 without jobs at the end of September, compared with 71,000 four months earlier. The 43,500 veterans receiving out-of-work allowances as of March 31 has been reduced to about 20,000.

Rain, Fog Plague Mainlanders

Any way you look at it, Vancouver certainly has its problems.

One of them, of course, is the rain which falls with persistent and unqualified enthusiasm during the Spring, Summer, Autumn and Winter.

Another is fog. Not just an ordinary fog which can be seen through by people with fair eyesight.

But a clammy heavy fog which settles over all parts of the city, store following an attempted hold-up.

Yesterday a student of the University of British Columbia, who came over to Victoria for a few days to take a look at the sun-baked a seat on a plane to return to his studies at the Mainland city.

He was back in Victoria within a few hours.

Said the ardent student: "The fog was so thick we couldn't land. I'm sure that too because the plane was forced to continue the flight to sunny Vancouver Island."

At last reports, fog was still pretty heavy and just when the campus queens could be expected at Vancouver was problematical.

Here in Victoria, the sun shone for some time yesterday. Golden Autumn sunshine, with many a gleam of fog.

The Dunmow Fitch of Bacon

In the town of Dunmow in Essex, England, there is an ancient custom, probably dating as far back as the reign of King John. This is the remarkable custom of presenting a fitch of bacon to any couple who can give proof that they have spent the first year of their married life in unbroken harmony.

The claimants are brought before a jury of six maidens and six bachelors, and if judged worthy of the prize, are chaired through

the town, the fitch of bacon being carried before them in triumph. At Windmill Field the oath is administered in the presence of the assembled townspeople, and the fitch of bacon duly presented.

Many of the quaint customs which have come down from ancient times are still to be met with in the England of today. The old inns and cottage homes have undergone little change. England, with its heritage of the past and its homely hospitality is a land you will want to visit some day.

Bracken States Foreign Policy Should Be Kept Out of Politics

OTTAWA, Nov. 14 (CP).—John Bracken, Progressive Conservative leader, expressed belief today Canada's foreign policy should be a "continuous affair" so that when there would be no great upheaval in relations with other countries.

Mr. Bracken made the statement in an interview when asked whether

the democracies kept strong there likely would be no war for some years to come.

While the United Nations was not a perfect organization, "we must fight for it," because it is the only machinery now available to help keep the peace.

He said it was expected that the current General Assembly meetings would be completed before Christmas.

Turning to domestic affairs, Mr. Bracken said he believed he would be participating in the Federal by-election campaign in Rachel's-Vercheres next month, but no plans had yet been made.

He declined comment on the new taxation agreements between the Dominion and New Brunswick, Saskatchewan and Manitoba, and said he did not wish to raise any controversy at a time when negotiations with other provinces still were going on.

Foreign policy should be kept out of politics so far as is practical, Mr. Bracken told a press conference after he returned for the week-end from the United Nations General Assembly meetings in New York.

He said he was well satisfied with the way the Canadian policy of having a non-partisan delegation at the meetings was working out.

Mr. Bracken said that if it was desirable to have the support of the Canadian people on foreign policy, delegations to foreign affairs meetings should be as widely representative of the people as possible.

Without referring to the trouble developing in British Government ranks over that country's foreign policy, Mr. Bracken said he felt that Canada's foreign policy should be fashioned somewhat after Britain's.

He observed that the British Labor Government had succeeded a Conservative Government without there being any drastic change in foreign policy.

There was evidence, he said, of the two ideologies trying to gain the upper hand in United Nations deliberations. While no one could forecast that there would be peace for the next 1,000 years he believed that

Nobel Prize Awards To Americans

STOCKHOLM, Nov. 14 (AP).—Committee here and in Oslo awarded the 1946 Nobel Peace Prize and the Prize for Achievements in the Science of Physics to three Americans today and thrust a virtually unknown German-born writer into the limelight with the award of the \$34,000 Literary Prize.

The Nobel Peace Prize committee in Oslo announced that the peace award of \$34,000 would be divided this year between Emily Greene Balch, of Boston, 79, internationally known economist, and Dr. John R. Mott, 81-year-old evangelist.

The Swedish Academy of Science named Dr. Percy Williams Bridgman of Harvard University as the winner of the physics award for his invention of apparatus producing extremely high pressures and for studies "within the sphere of high pressure physics."

The prize for chemistry was divided among three Americans. Half of the prize went to Dr. James B. Sumner of Cornell University while the second half was shared by Drs. J. H. Northrop and W. M. Stanley, both of the Rockefeller Institute for Medical Research, Princeton, N.J.

The Swedish Academy chose Hermann Hesse, 60-year-old former theological student and bookseller's assistant, for the literary award.

The novels, poems and essays of Hesse, a Swiss citizen, are not widely known in popular circles, and the Stockholm newspaper Affordningen today criticized the award as "inscrutable" and declared the writer was too obscure to receive "such a high literary distinction."

Three Men Held For Mail Theft

VANCOUVER, Nov. 14 (CP).—Three men have been arrested here by Royal Canadian Mounted Police and city detectives in connection with what R.C.M.P. officials term "fairly large-scale" theft of pension, gratuity and other Government cheques from the mails.

One man, William Taylor, a 46-year-old mail carrier, has been charged with theft from the mails.

The other two men, Alfred Gowing, a 43-year-old motorist, and Robert J. Haddock, a 37-year-old truck driver, have been charged with conspiracy.

A fourth man and a woman were taken into custody by police last night, but later released.

It was reported that the alleged thefts involve between \$2,000 and \$2,000 in cheques.

Fake Testament Of Goering In Circulation

FRANKFURT, Germany, Nov. 14 (Reuters).—Mimeographed versions are being circulated in Nuremberg of an apocryphal "testament" believed by many Germans to be Hermann Goering's last words to the German people left by him four weeks ago when he committed suicide in his cell a few hours before he was due to be hanged with the other top-ranking Nazi leaders sentenced at Nuremberg.

The "testament," alleged to be a copy of one of three left by Goering, is a fake, Allied officials say. The genuine notes are held in Allied Control Council archives in Berlin marked "Top Secret—Duplicate Burned."

Nuremberg residents have received their mail from butchers wrapped in alleged copies of one of the notes reading:

"The Allies were clever, but I was still more clever... the Allies won the war—whether they will be able to win the peace depends on you."

"We found out during the Nuremberg trial that terrible deeds were done by Germans, many things an honorable German would hesitate to sanction... The victors have found sufficient proof to convince even me."

"Many of those happenings had to be undertaken and I would not hesitate again to issue many orders for which I am held responsible. These include the bombing of Warsaw, Rotterdam and Coventry. In a war for mere existence these orders had to be given."

"The Fuehrer is dead—I am empowered to assure you of this. Both the Fuehrer and I leave you because you know we are strong enough to stand up under hardship even without our presence."

"You have learned much during the past 13 years—forget some of those things, but remember others. You will some day again be able to show the world what you are made of..."

Fuel Problem Eased Says Coal Official

OTTAWA, Nov. 14 (CP).—A mild autumn has eased Canada's winter fuel problem, Deputy Coal Controller Frank Neate said today.

Dealers' yards now are well stocked, the deputy controller reported, and some consumers are feeling so secure they are hesitant about ordering more coal.

The only threat to the improved fuel position, he said, was the possibility of a coal strike in the United States. That would result in a critical shortage for Canada.

Both Italy and Yugoslavia seek a revision of the compromise line which was agreed upon at the Italian-Yugoslav boundary at the Paris Peace Conference and adjustments may be made. The line proposed by France was accepted by the Drafting Commission by a vote of 12 to 5, Russia voting with the majority.

Nollet Urges Milk Subsidy

MOOSE JAW, Nov. 14 (CP).—An "ominous" parallel between the inflationary period which followed the Great War and the period of the "last few months" was drawn tonight by Agriculture Minister I. C. Nollet of Saskatchewan.

A "dangerous trend towards an unplanned economy of free enterprise and unbridled competition is taking place right here in Canada," Mr. Nollet said in an address prepared for radio delivery.

The Agriculture Minister urged that milk come under the powers of the Agricultural Prices Support Act and that the producer subsidy on milk be re-established through the act.

Mr. Nollet said that the "gap between the workers' wages and farm incomes on the one hand and the rising cost of living on the other is becoming daily more pronounced."

Referring to the removal of the consumer subsidy on milk last June 1 and the producer subsidy last October 1, followed by the agreement "to subsidize the profits of the Canadian steel industry," Mr. Nollet said that "apparently if the health of the nation and the profits of private enterprise are in conflict, then the profits of private enterprise must prevail."

Russian Demands on Trieste Stymies Four-Power Council

NEW YORK, Nov. 14 (AP).—A Russian demand for sharp curtailment of power for the Governor of Trieste stymied temporarily today positive action by the four-power Council of Foreign Ministers on a final peace pact for Italy.

Foreign Minister Molotov insisted that the Governor's authority to maintain law and order in the

city of Trieste should be subordinate to a council of government which would be appointed by the proposed elective assembly.

In a wordy wrangle, State Secre-

tary Byrnes of the United States and Foreign Secretary Bevin of Britain held out against this move. They, along with the French deputy foreign minister, Couve de Murville, held that if the Governor was given responsibility for maintaining order, he should also be given the power.

A decision was deferred until the

only a handful of their advisers present in what was scheduled as a "restricted" meeting.

The British and American diplomatic leaders met for 45 minutes in advance of a third try by the Foreign Ministers Council to reach a solution on a problem which has blocked a peace pact with Italy.

The outcome of today's council meeting was viewed as an important test on whether the Western powers can get together—not only on the peace pacts for the Axis satellites, but on even more grave issues of Germany's future, disarmament and control of atomic energy.

LONDON (CP).—Brig-Gen. A. B. Inceledon-Webber, of Bridgewater, Somerset, who won the D.S.O. and C.M.G. for First Great War services, has died, aged 70.

Alaska Highway Open in Summer

EDMONTON, Nov. 14 (CP).—James Christiansen, chairman of the Alaska Highway Committee of the Edmonton Chamber of Commerce, said today the highway would be open to all civilian traffic next summer.

In an address to Lions Club members here Mr. Christiansen said delegates from Alberta to the recent Senate Tourist Committee in Ottawa were assured that the Alaska Highway "would not be neglected."

He said the highway would be a big factor in the defence of the continent.

Societies

St. Mary's Women's Guild, Oak Bay, will meet in the parish hall Tuesday, November 19, at 2:30 p.m.

The Ladies of the Open Door Spiritualist Church will hold a tea in the hall, 714 Cormorant Street, Saturday from 2:30 to 5 p.m.

The annual bazaar of the First United Spiritualist Church will be held November 21 in the Coast Hall, 1416 Douglas Street and will be opened by Rev. Flora Hampton at 2 p.m.

and tea will be served by Mrs. T. Harpess.

Mrs. E. R. Mainway will open the Christmas bazaar being given by the W.A. of St. Paul's Church, Esquimalt, November 20 at 2:30 p.m. There will be home cooking, superfluity, children's sleepers and miscellaneous stalls. Tea will be served and in the evening a social will be held at 8 o'clock.

The annual banquet of the Women's Benefit Association will be held in Terry's dining-room on Monday at 6:30 p.m. when members of Chemainus Review will be guests. Following the banquet a short business meeting will be held in the new K. of P. Hall, Cormorant Street, at 8 p.m.

St. John's W.A. Colwood, met Wednesday in Colwood Hall with Mrs. W. M. Brown presiding. Plans for the annual sale of work which will be held December 11, were discussed. There will be various stalls and afternoon tea will be served. The annual meeting at which election of officers will take place will be held December 12.

Miss M. Diederichs reported on the institute for head-nurses which is to be held in Victoria, January 9, 10 and 11 and Miss Zoe Harmon was delegated to send parcels to invalid nurses in England at the meeting of the Victoria Chapter of the Graduate Nurses at the Jubilee Hospital on Tuesday evening. Plans were made for members to attend the district meeting in Nanaimo on November 19. Miss M. Crickmay gave an interesting address on "Speech Defects and their Correction."

Diane Bradley To Appear Here

A feature attraction of the forthcoming dance revue "Star Dust" which is to be presented at the Royal Theatre on Monday and Tuesday evenings, November 18 and 19 will be the appearance of 11-year-old Diane Bradley, of Vancouver, formerly of Victoria, who has taken part in recitals by pupils of Miss Wynne Shaw since she was four years old. Diane is studying singing with Mr. Bayard Haddock in Vancouver. She won the Junior vocal championship in the British Columbia Musical Festival in 1945 under 20 years and this year won the high soprano under fourteen years. For the past two years Diane has taken part in Mr. Reginald Hinks' pantomimes in Victoria. Tickets are in great demand for the revue, which is being sponsored by the Junior Auxiliary of the Royal Jubilee Hospital.

Red Cross Society Appoints First National Director of Nursing

By JEAN THOMPSON
Canadian Press Staff Writer
TORONTO, Nov. 14 (CP)—From public health nursing to the pioneer area of Alberta to an administrative post with a national society is just part of the career of Helen A. McArthur, of Edmonton.

She has driven dog teams as a public health nurse in the Peace River block and entertained visiting celebrities in an outpost hospital.

Now she is turning to a new job and will help to direct the work of nurses who staff Red Cross hospitals on the "frontiers" of Canadian civilization.

Recently appointed as first-national director of nursing for the Canadian Red Cross Society, she will undertake the closer co-ordination of nursing with other aspects of the society's program such as out-post hospitals, Junior Red Cross and first aid, swimming and water safety. She will also act as a liaison between the nursing profession and the work of the society.

Tall, blonde and enthusiastic about nursing, Miss McArthur is planning a trans-Dominion trip to get an overall picture of Canadian nursing needs as related to Red Cross services.

TO INTEGRATE SERVICES

"Since Red Cross programs are organized provincially, my work is to integrate its nursing services so that the Canadian Red Cross Society can make the best possible nursing contribution to Canadian life," said Miss McArthur. "Outpost hospital work is the most important aspect of the society's nursing program and I hope to be able to direct the nurse who wants to do some pioneering in this line of work."

Miss McArthur's experience in hospitals, district nursing areas and for two years as director of the public health nursing division in Alberta's Department of Public Health, has fitted her well for the administrative position she has just assumed. She holds degrees in nursing and science from the University of Alberta and British Columbia and received a master of arts degree on a Rockefeller Foundation Fellowship at Columbia University.

She has close connections with the Red Cross in Canada and abroad. In 1938 she was elected to the Canadian Red Cross Society's executive committee and in 1940 she was elected to the national executive committee.

nursing profession and is at present vice-president of the council of the Alberta Association of Registered Nurses.

Mrs. W. Dennis Heads Cowichan Legion W.A.

DUNCAN, Nov. 14—Thirty-three members attended a meeting of the W.A. to Cowichan Branch, Canadian

Legion Hall. Officers for 1947 were nominated and elected by acclamation. Mrs. W. Dennis was re-elected president; Miss F. Smyth, 1st vice-president; Mrs. J. Fraser, 2nd vice-president; Mrs. C. E. Bradley, treasurer and Mrs. W. Whitworth-Russell secretary.

Mrs. G. Kennett reported 12 visits to the hospital and that she was assisted by Mrs. F. McKen. Mrs. Kennett's report on the recent poppy day sales was regarded as extremely satisfactory and she expressed appreciation of the assistance received by South Cowichan Scouts and Cubs, and the cubmaster Mr. H. W. Collins.

Mrs. H. P. Swan, who spent all the war years in England gave an interesting talk on conditions there and gave helpful advice on the sending of parcels overseas.

Tea hostesses were Mrs. A. J. Castle and Mrs. W. Jones.

If you feel TIRED PEPLESS HALF-ALIVE

If extra work or effort now becomes a strain—if you tire easily and no longer have the same old pep and energy—you'll appreciate the revitalizing effect of Phyllosan. Phyllosan, a modern scientific formula developed through the research of an eminent professor of medicine, tends to tune up the whole system and promote a sensation of general well-being. Soon you begin to feel happier, younger, more alive.

Phyllosan, it has been said, is "more than a tonic, it is a creative force in the system," which "stimulates all physical and vital forces." Tablets should be taken regularly every day, particularly by those over 40, who usually derive the most benefit. Buy at your druggists today—results may astonish you.

Little Stories for Bedtime

A BAD SCENE IN THE GREEN FOREST

A neighborhood feud is not uncommon among the residents of the Old Orchard and the Green Forest. It happens every now and then during the nesting season. But never was there such a dreadful scene as when Redtail the Hawk and Mrs. Redtail discovered that Hooty the Owl and Mrs. Hooty had taken possession of their old home. Of all the feathered people who live in the Green Forest the Redtails are the biggest who fly by day, and the Hooties are the biggest who fly by night. Both have great claws and hooked beaks. So just as soon as the fierce screams of Redtail and Mrs. Redtail were heard, everybody who could get there hurried over to watch from a safe distance Redtail and Mrs. Redtail try to drive Hooty and Mrs. Hooty away from the nest.

Everybody's sympathy was with Mr. and Mrs. Redtail. Few of the little feathered people or the little people who were the love Redtail. Most of them fear him. But they fear Hooty the Owl more. So everybody shouted encouragement to Redtail and Mrs. Redtail. Blacky the crow and Sammy Jay added their harsh voices to the fierce screams of Mr. and Mrs. Redtail.

"Drive the robbers out! Drive the robbers out!" shrieked Blacky.

"Kill them! Kill them!" yelled Sammy Jay. "We'll help you." But in spite of his brave words Sammy took great care not to get too near. Meanwhile Redtail and Mrs. Redtail darted at Hooty with an ugly wish of great wings. They tried to get him from behind, but try as they would Hooty's big head would simply snap around so that he was always glaring into their eyes, and at the last instant they would sever aside. Once only Redtail kept his courage long enough to strike, and then he left Hooty's claws filled with brown feathers. Hooty snapped his bill and hissed in a way that sent cold shivers all over those who heard him. His feathers were ruffled up until it seemed as if he had grown twice as big as usual. It was quite clear that Hooty was unafraid and that he and Mrs. Hooty had no intention of giving up that nest. They had possession of it and intended to keep possession of it. The right and wrong of the matter didn't trouble them at all.

"This may have been yours once, but it is ours now," hissed Hooty as he struck savagely at Mrs. Redtail and tore a feather from one wing. All afternoon Redtail and Mrs. Redtail did their best to get back their home, and all afternoon Hooty the Owl mounted guard and drove them off. Then as the Black Shadows began to creep into the Green Forest fear crept into the hearts of Mr. and Mrs. Redtail, for in the dark they cannot see, while

Other officers named when the nominations closed Tuesday, and also unanimously acclaimed, were Z. L. Smith, vice-president; W. B. Moore, secretary; and E. C. Pollock, treasurer.

Annual meeting of the association is to be held at Liberal headquarters, 336 Broughton Street, Thursday at 8 p.m.

"This may have been yours once, but it is ours now," hissed Hooty.

Hooty the Owl can. So in the end they took Hooty's advice and flew off to build another home.

Next story: "Jenny Wren Arrives."

(Released by Associated Newspapers, Inc.)

HOME-MAKER AT SEVEN

AN OLD HAND at getting lunch, young Judith Jones knows the need of "balanced meals," too. Her first choice is a nourishing bowl of Aylmer Vegetable Soup with a sandwich and glass of milk. This tasty Aylmer soup gives her the "hot dish" needed at every meal—and the benefits of 9 of garden-fresh vegetables grown specially for Aylmer.

NO. 284—EIGHTY-EIGHTH YEAR

VICTORIA, BRITISH COLUMBIA, FRIDAY, NOVEMBER 15, 1946

15-Year-Old Cager May Join Dominoes

Jimmy Lewis, Junior Star of Last Year, To Be in Uniform Against Seattle Saturday

Dreamed the brightest prospect among the city's enthusiastic young basketball players, 15-year-old Jimmy Lewis will make the big jump from the "boys' intermediate" bracket to the ranks of the Canadian Champion Dominoes' series "A" men's team at Victoria High School tomorrow when he will be in uniform for the game against Seattle College. Domino Manager Dave Nicol made the announcement last night.

Allen Cup Champs Tied for Lead

SASKATOON, Nov. 14 (CP)—Calgary Stampede, 1946 Allen Cup champions, moved into a tie for first place with Lethbridge Maple Leafs in the Western Canada Senior Hockey League by trouncing Saskatoon Elks 4-1 here tonight before 2,300 fans. The loss left Elks in a three-way tie with Regina Capitals and Edmonton Flyers, three points down on the leaders.

Junior Football Final in East

MONTREAL, Nov. 14 (CP)—Officials of the Quebec Rugby Football Union and the Junior Big Four of Ontario are completing negotiations for a sudden-death Eastern Canada junior football final, it was announced today by Norman Gillespie, secretary of the Q.R.F.U.

Hamilton Tigers, Junior Big Four champions, will meet the winner of the Q.R.F.U. series to be decided a week Saturday when St. Lambert Combines meet Notre Dame De Grace Maples in a sudden-death game. The two teams now are tied at three points each as a result of two previous tie games.

Boston's Ted Williams Chosen Most Valuable Player in League

NEW YORK, Nov. 14 (AP)—Ted Williams, Boston Red Sox outfielder, today was named the most valuable American League player of 1946. The famed southpaw swatter, generally regarded as one of baseball's outstanding hitters despite his puny 200 batting average against St. Louis Cardinals in the World Series, polled 224 points in the balloting by a 24-man committee of the Baseball Writers Association of America. Hal Newhouser, southpaw ace of Detroit Tigers, who won the most valuable award in 1944 and 1945, finished second with 197 points. Williams' Red Sox teammates, second baseman Bobby Doerr and shortstop Johnny Pesky, placed

third and fourth, respectively, with 158 and 141 points.

First Baseman Mickey Vernon of Washington Senators, who beat out Williams for the league batting championship with a .353 average to Ted's .344, finished in fifth place with 134 votes. Cleveland's star twirler, Bob Feller, who fanned 348 for a season strikeout record, was the only other player to get more than 100 points. He placed sixth with 105.

Rounding out the first 10 were Boston's right-handed ace pitcher, Dave (Doc) Ferriss, 94 points; Hank Greenberg, Detroit slugger, 91; Dom Dimaggio, Boston outfielder, 56; and Cleveland manager, shortstop, Lou Boudreau, 37.

CONSIDERED one of the leading amateur flyweight boxers in North America following his winning of the Junior Amateur Athletic Union championship of the United States at Portland last summer, 26-year-old Vic Murdoch, popular Victoria fighter, has announced his retirement from active competition. Murdoch's retirement comes as a result of the lack of competition from boxers of his ability in these parts.

In six years' fighting in the Pa-

Leading British Golfers Compete in U.S.

International rivalry has returned to the American golf scene with the arrival of Bar-Rees and Charles Ward, leading British pros who tied for fourth place in the British open last year. In their first match, the British pair were defeated by Ben Hogan and Horton Smith at Pinehurst, N.C., when Hogan came in with a six-under-par 66. The foursome are pictured above following the match. From left to right are Ward, Rees, Hogan and Smith.

Victoria Nimrods Report Good Bags of Duck, Deer

With the end of the trout season anglers report that success in the sport has been limited. Favored Cowichan River, now at an unusually low level for this time of year, has seen only spotty fishing. Art Christopher finished the season in good form, however, catching his limit at the headwaters.

Down at the Bay, few anglers are braving the elements these days. On Sunday, though, George Lane hooked four coho, using Bucktail flies, and Gratian Brown pulled in a 14-pounder. Good rains are needed to send the salmon in the bay up the river.

Coming into the limelight after a prolonged absence, fishing off the Breakwater here has been a good sport recently. Gordy Bell reeled in six springs, totaling 72 pounds, in one evening this week.

Taking up a shotgun, Stan Williams later in the week visited Discovery Island with Johnny Bowker, Ollie Corbett and Frank Jeffries. Each brought down a good bag of ducks, reported plentiful there.

Shooting for deer on Sunday Cy Wightman brought down a nice buck at Cowichan and Ted Bailey also bagged one. For Fred Hughes, Dave Lewis and Bill Sylvester, Campbell River district is still the spot. They shot two nice bucks weighing about 150 pounds each. Lorne and Walter Woodley and party also scored with four deer among them.

Game Warden George Stevenson was amazed the other day by the dexterity of a rifle by the use of an arm-mounted hunter. The crippled nimrod could load and unload his weapon at the shoulder with lightning speed, clinching the butt in his armpit. With a running shot near Glina Lake last week, he brought down a buck with a bullet shot true to its angled head.

Stevenson reports he has come across a number of does shot and left by careless hunters, who again are numerous this year.

The Nanaimo Fish and Game Protective Association last night passed a resolution asking that the size limit on fish be abolished. They will also ask that the trout season be extended to the end of November. The Game Board will be asked to supply 50 pairs of Hungarian partridge to be turned loose in suitable areas on the Island during the coming year, or as an alternative, 50 pairs of English grey partridge.

Nelson Beats Smokies NELSON, B.C., Nov. 14 (CP)—Nelson Maple Leafs climbed into second place in the standings in the new Western International Hockey League tonight when they trounced the one-time world amateur champion Trail Smoke Eaters 6-3.

RULED OUT TRACKS CHICAGO, Nov. 14 (AP)—Ednyfed H. Williams, chairman of the Illinois Racing Board, said today that Charles Mitchell, Ringwood, Okla., horseman, had been ruled out of Illinois racing tracks for life, following charges of substitution of horses.

List Canadian Ring Ratings

MONTREAL, Nov. 14 (CP)—The Canadian Boxing Federation issued a list of championship ratings at its first post-war meeting here today.

Canadian champions and leading contenders were listed as follows:

Heavyweight—Title, vacant; no contenders. Light-heavyweight, Title, vacant; Contenders: Vernon Escoc, Windsor, Ont.; Arnold Hayes, Montreal.

Middleweight: Champion, Len Wadsworth, Sudbury, Ont.; Contenders: K. O. Boisvert, Quebec; Walter Hicks, Toronto.

Welterweight: Champion, Johnny Greco, Montreal; Contenders: Harry Hurst, Montreal; Jimmy Molloy, Montreal; Joe Pyle, New Waterford, N.S.; Roger Whynott, Halifax.

Lightweight: Champion, Danny Webb, Montreal; Contenders: Dave Castilhoux, Que-Mell, Kid Percy, Sherbrooke, Que.; Joey Baginato, Toronto.

Featherweight: Title, vacant; Contenders: Spider Armstrong, Toronto; Arthur King, Toronto; Lew Alter, Montreal; Hubert Gagnier, Montreal; Johnny Bouffard, Quebec.

Bantamweight: Champion, Fernando Gagon, Quebec; Contenders: Kenly Lindsay, Vancouver; Frank Brancati, Toronto; Frankie Pucci, Toronto; Jean Richard, Montreal.

J.B.A.A. LINE-UP J.B.A.A. senior line-up for the English Rugby match against Wanderers tomorrow at Macdonald Park will be chosen from the following: Donald McKay, Bray, Mair; Reg-Lott, A. Williams, John Cleeri; J. Van Druten, Johnson, D. Bell, R. Williams, F. Ransen, Cullin; J. Ransen, McCaghey, Popham, Fred Smith, McKeachie.

Gets Broken Nose In First N.H.L. Try

TORONTO, Nov. 14 (CP)—Harry Taylor, rookie forward, whom the Toronto

Maple Leafs in the National Hockey League recalled from their Tulsa farm club in the United States League, suffered a broken nose today in his first practice since rejoining the club. The former junior star of Winnipeg Monarchs was struck by a puck fired from the stick of veteran Nick Metz.

Eagles, Royals Take Games In Coast League

PORTLAND, Ore., Nov. 14 (AP)—The Portland Eagles held on to second place in the Pacific Coast Hockey League Northern Division tonight by holding on to the last-place Tacoma Rockets in overtime, 7-6.

The Rockets took the play away from the Eagles through most of the game, but two goals in the last five minutes enabled the Portlanders to carry the game into overtime in which Ed Coleman sank the winning goal after two minutes and 44 seconds.

NEW WESTMINSTER, Nov. 14 (CP)—New Westminster Royals scored their first win over the Vancouver Canucks this season by a 6-3 count in a Pacific Coast Hockey League game here tonight.

The Canucks went into the lead in the first period when Ab McDougall twice bulged the twine against the single marker, by Koch, for New Westminster. But from there on in Royals took over, scoring twice in the second and three times in the third period.

Goals were netched for New Westminster by Koch, J. Schmidt, 2. W. Schmidt and Ulyett. Marksmen for the Royals were Ab McDougall and Doug Verity.

Golds of V.H.S. Edged by Oak Bay

Oak Bay High School won from Victoria High School Golds in an inter-high senior "A" rugby match, 3-0, on Victoria High School grounds yesterday afternoon. Ken Wright scored a penalty kick for the game's only points.

There was little to choose between the two teams in the hard-fought encounter in which some good rugby was seen although too much cross field running was noticed. Joe Roberts refereed.

LINE-UPS Oak Bay High—Wright, Main, Foote, Taylor, Young, Prevost, Mill, Blyth, Nickolls, Clouston, Fraser, Craven, Wilkinson, and Macintosh. Spares: Moore, Olsen, Hutchinson, Couch, Hugh Farquhar.

Victoria High Golds "A"—Ross, Builetspeck, Ramsay, Isaacs, Dempster, Murray, Smythe, D. Jones, Borde, T. Jones, Anderson, Henderson, Foxall, Burke, Charlton, Coach Joe Andrews.

Minor Soccer

Games scheduled on Saturday in the intermediate soccer league are as follows:

Oak Bay vs. George Aves, Windsor Park, 2:30 p.m.; Saanich Thistles vs. Navy, Hampton Road, 2:30 p.m.

Those scheduled in the juvenile soccer league are: Division 2, Heaney's vs. Sea Cadets, Hollywood Park, 1:15 p.m.; Division 3, Oak Bay vs. Esquimalt Terriers, Windsor Park, 1:15 p.m.; Empire Sawdust vs. Fairbridge Farm School, Heywood Avenue, 1:15 p.m.; Division 4, Elks vs. Fairbridge Farm School, Beacon Hill Park, 1:15 p.m.; Division 5, North Ward vs. St. Louis College, Victoria High School, 1:15 p.m.; Eagles vs. Balgopal Thistles, Central Park, 1:15 p.m.

Durocher Snubbed

BROOKLYN, Nov. 14 (AP)—Ten Brooklyn "men of the year," chosen by a poll of borough leaders, were named today in the official publication of the Brooklyn Rotary Club.

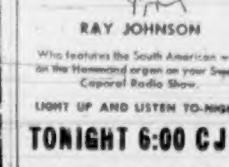

And surprise, surprise, no Leo Durocher.

The manager of the Dodgers lost out in the sports category to the "people's choice," Outfielder Dixie Walker, because he failed to keep his interests in Brooklyn after playing time.

The awards will be made each year. It was announced to prevent Brooklyn's leaders from being "lost in the shadow of Manhattan's big White Way."

Tennis Players Get Civil Service Holiday

OTTAWA, Nov. 14 (CP)—In future, Civil Service employee members of Davis Cup tennis teams will be given leave of absence with pay while taking part in the international matches the Civil Service Commission announced today. Officials said a recent order-in-council renewed a 1920 order which made provision for employees entering the Olympic Games, and other international competitions and extended it to cover the Davis Cup matches.

LIGHT UP AND LISTEN TO-NIGHT TONIGHT 6:00 C.J.V.I.

Three Teams Tied For Lead in N.H.L.

Canadiens Defeat Detroit Red Wings 4-3 To Move Up Even With Toronto and Boston

HOW THEY STAND

Team	W	L	T	F	Pts
Toronto	4	1	3	25	13
Boston	4	2	3	24	13
Canadiens	5	3	3	24	13
Detroit	3	7	2	27	8
Rangers	3	6	3	27	8
Chicago	5	4	1	27	7

Results last night: Canadiens 4, Detroit 3. Next games, tomorrow: Canadiens at Toronto, Chicago at Rangers.

MONTREAL, Nov. 14 (AP)—Fending off a last-minute drive that brought Detroit Red Wings within an ace of a tie game, Montreal Canadiens pulled a 4-3 win out of the fire here tonight to climb into a three-way deadlock with Toronto and Boston at the head of the National Hockey League standings.

Wings, trailing 4-2 with less than five minutes to go, got a break when Kennebec Reardon drew a major for fighting with Doug Mc-

Graveley, and Ted Lindsay put them within a goal of tying it up with less than two minutes to go.

While a crowd of 10,328 yelled for Canadiens to hold on, Jack Adams pulled goalie Harry Lumley and threw on six forwards. But when a long shot from Canadiens' blueline just dribbled past the corner of the Detroit goal, Lumley was sent back to a hurry.

Penalties played a big part in the game, all but two goals being counted with men in the cooler.

Fat Lindsay got Detroit away to a lead in the first period when he took a sharp pass from Roy Conacher to beat Duhamel with Gravelle in the penalty box.

It looked like rookie night in the second period as burly defenceman Roger Leger scored his second N.H.L. goal on a pass from Leo Gravelle, and that blond speedster from Montreal, Roy, maintained his goal-keeping average by sinking his fourth of the season two minutes later. Detroit was at full strength for those two counters.

Glen Harman made it 3-1 in the third, Gravelle assisting on that one too, before Ted Lindsay soloed down the ice and beat Durnan cleanly. Maurice Richard rocketed home another one of his blueline specials and Lindsay notched his second in the last stages.

LINEUP: Detroit—Lumley, Stewart, Desautry, Abel, Lindsay, Howe, Suba—Jackson, Taylor, Lumley, Conacher, Gauthier, Brown, Brunetteau, Couture, Douglas, McCall.

Montreal—Durnan, Bouchard, Reardon, Lach, Blake, Richard, Suba—Harmon, Leger, Filion, Chamberlain, Reay, Allen, Modell, Peters, Gravelle, Gully.

Officials: Bill Chadwick, referee; Stan Pratt and Bibby Munday, linemen.

SUMMARY: First period—1, Detroit, Lumley (Conacher) 7:47. Penalties—Gravelle, Jackson, Bouchard. Second period—2, Montreal, Leger (Gravelle) 3:59; 3, Montreal, Gravelle (Allen) 5:54. Penalties—Stewart, Chamberlain (minor) and 10 minute misconduct—Jackson, Reardon.

Third period—4, Montreal, Harmon (Gravelle) 4:39; 5, Detroit, Lindsay (unassisted) 5:00; 6, Montreal, Richard (Lach) 13:13; 7, Detroit, Lindsay (Conacher, Brown) 18:20. Penalties—Jackson, Reardon (minor and major), Stewart, Lach, Abel (major), McCall.

Stronger Team of Mustangs To Meet Meralomas Saturday

Irked by what they consider to be recurrent raw deals from the Big Four executive, Victoria Mustangs will be in a fighting mood when they clash with Vancouver Meralomas tomorrow in a re-scheduling of last Saturday's postponed semi-final play-off for the Lipton Trophy.

The grid clash is set for Royal Athletic Park at 7:30 p.m. under the lights. Winners meet V.A.C. in Vancouver next week for the cup last won by Victoria Revelers in 1940.

Cheated of a chance last week to reverse a 15-9 decision handed them by the Meralomas in their last meeting—because the Vancouver players failed to arrive due to the grounding of their planes—Mustangs have continued nightly workouts with increased zest.

A new spirit coming from a frank discussion of possible improvements to the team has been in evidence at practices since the last game, and Coach Jimmy Smith is confident his proteges will block the ambitions of the up-and-coming Meralomas. An average of 27 men have been turning out for the two-hour workouts.

Weakened by the absence of six first-string players in their last tussle with Meralomas, the Victoria

gridders will be at full strength tomorrow. Dale Turner and Grons are all available.

Mustangs have developed increased offensive strength with Reynolds moving to left half, McKeachie to quarterback and Nelson to fullback.

On the Meralomas side of the ledger, Garnie Smith, coach and former Winnipeg Blue Bomber, will be opposing the Victoria team on the field for the first time. However, it is believed that their stalwart fullback, Vic Spencer, will not be available.

There is a possibility that Don Lord, star Brentwood College rugger, who played well for Meralomas in their first game will again be in uniform.

Company Incorporations Drop To Half 1946 Weekly Average

New company incorporations in British Columbia, which have averaged more than 30 a week all this year, dropped to a total of 15 for the week ended yesterday.

The list included only one Vancouver Island registration, that of Quality Millwork Ltd., Port Alberni, capitalized at \$10,000.

New companies registered at the Taxation Buildings from Vancouver were: Ripple Point Timber Co. Ltd., 10,000 shares, no par value;

Raphael Bros. Ltd., \$50,000, Auto Radiators (Nanaimo) Ltd., \$10,000; Crest Electric Co. Ltd., \$10,000; Inter-Island Transit Co. Ltd., 100 shares, no par value; Gold Medal Bakeries Ltd., \$25,000; K. K. Wong & Sons Ltd., \$10,000; rue Marche Ltd., \$20,000; Crowther & Walsh Ltd., \$25,000; and Commercial Sales Corporation Ltd., \$25,000.

Registered from elsewhere in the province were: Bob Barker Ltd., \$25,000, Prince Rupert; J. H. Smith Ltd., \$30,000, Terrace; Union Cafe Ltd., \$10,000, Vernon; and Williams & Wilson Ltd., \$10,000, North Vancouver.

Extra-provincially registered were: Puharinen's Federation Inc., \$1,000, with head office in Wilmington, Delaware, and head British Columbia office in Vancouver; and Hamilton Bridge Co. Ltd., 263,750 common shares, no par value, Hamilton, Ont.; and Waneta, B.C.

Vancouver Island Turkey Improvement Association, Duncan; New Westminster Riding Club, and Chilliwack Light Horse Breeders and Riding Club were registered under the Societies Act.

Hold Annual Rites

CHEMUNUS, Nov. 14.—Rev. M. Lamb, Rev. T. L. Hipp and Eric Knight conducted a Remembrance Day service in Recreation Hall. Joseph Sandford was pianist. H. J. Desbrie was marshal of a parade to the Cenotaph, and wreaths were deposited by the Canadian Legion, Women's Auxiliary, I.O.D.E., Trench Town, Boy Scouts, Girl Guides, Cubs and W.B.A. Lodge. Graves of war veterans were decorated under direction of A. E. Pulling.

Claire Trevor Stars in "Crack-Up"

Lovely blonde siren of roles with evil implications, Claire Trevor reverses the trend with her portrayal of Pat O'Brien's alluring sweetheart in "Crack-Up," R.K.O. Radio's high-tension thriller with romantic complications, starring O'Brien, Miss Trevor and Herbert Marshall, and now at the Dominion Theatre.

At the Theatres

Suspenseful Adventure in Museum of Art

Baffling mystery and turbulent romance are the twin themes of RKO Radio's dramatic new offering, "Crack-Up," which opens today at the Dominion Theatre, starring Pat O'Brien, Claire Trevor and Herbert Marshall.

O'Brien in his role of art expert and lecturer at a New York museum attempts to solve the mystery of a train journey during which he was strangled, causing a temporary mental crack-up. He uncovers an interna-

tional art racket, but in the midst of his investigations one of his colleagues at the museum is found murdered, and he is accused of the crime.

ATLAS—As a breather from the theatre, hope merizmit in "Monsieur Beaucaire," now showing at the Atlas Theatre, some legitimate love interest is supplied by Patric Knowles and Marjorie Reynolds. The former plays Bob's noble benefactor and Miss Reynolds portrays a lovely Spanish princess. Others in the supporting

Amusements

ON THE SCREEN

Astor—Barbara Stanwyck and Dennis Morgan in "Christmas in Connecticut."

Atlas—"Monsieur Beaucaire" stars Bob Hope and Joan Caulfield.

Capitol—Alan Ladd and Geraldine Fitzgerald in "O.S.S."

Dominion—"Crack-Up," starring Herbert Marshall and Claire Trevor.

Oak Bay—Dana Andrews, Brian Donlevy and Susan Hayward in "Canyon Passage."

Rio—Alice Faye and Dana Andrews in "Fallen Angel."

Royal—"Meet the Navy."

York—"She Wouldn't Say Yes," starring Rosalind Russell and Lee Bowman.

cast are Cecil Kellaway, Reginald Owen, Constance Collier and Hillary Brooke.

CAPITOL—Probably no other film ever received as much official sanction and co-operation as Paramount's "O.S.S." obtained from the Office of Strategic Services in Washington. "O.S.S." which co-stars Alan Ladd and Geraldine Fitzgerald, is now showing at the Capitol Theatre.

It was written and produced by Lieut.-Col. Richard Maibaum, and had the technical assistance of Commander John Shaheen, of the O.S.S. Shaheen employed 18 specialists, most of them former O.S.S. men, some of whom played small parts in the film.

OAK BAY—Movie Director AND PLAZA Jacques Tourneur, known in Hollywood as a stickler for authenticity in his pictures, is said to have been more painstaking than ever before while preparing data and schedules for "Canyon Passage." The new Universal Technicolor release, produced by Walter Wanger, is now at the Oak Bay and Plaza Theatres. It is Ernest Pascal's adaptation of The Saturday Evening Post story by Ernest Haycox. Dana Andrews, Brian Donlevy and Susan Hayward are co-stars.

YORK—Rosalind Russell recognized in screen circles as the ace portrayal of career women, gives another one of her vastly amusing and indelible performances. This time it is a brilliant and, of course, lovely-looking and smartly-attired psychiatrist, in Columbia Pictures' comedy, "She Wouldn't Say Yes," in which Lee Bowman appears as her co-star at the York Theatre.

ROYAL—"Meet the Navy," the THEATRE romantic, musical motion picture story of the Royal Canadian Navy's triumphant tour of Canada, Britain and the continent, which is the featured attraction at the Royal Theatre, is, in many ways, the most unusual motion picture ever made. It's one picture in history where there was no problem with temperamental stars—everyone in the cast was equally important and no one demanded or received "top billing."

BIO—Acclaimed as setting a THEATRE brilliant new trend in film dramas of suspense and shock, "Fallen Angel," the 20th Century-Fox hit starring Alice Faye, Dana Andrews and Linda Darnell, is now at the Rio Theatre. "Fallen Angel" gives Dana Andrews his biggest role to date, involving him, as it does, in an even more complex and dramatically exciting situation than did "Laura," in which he scored so sensational a triumph.

Shawnigan Plans Christmas Event

SHAWNIGAN LAKE, Nov. 14.—Annual community Christmas entertainment will be held here on December 19. There will be a supper for children at 5:30 p.m., concert by children at 7:30 p.m., arrival of Santa Claus, supper for adults, and children's games until midnight. Sylvania district children who attend Shawnigan Lake Public School will also be invited.

Mrs. T. Brewer is chairman, and Miss E. Miles, secretary of the committee in charge. Complete arrangements will be made at a meeting in S.L.A.A. Hall next Tuesday.

Represents Langford

LANGFORD, Nov. 14.—A. M. Whisker was elected a member of the advisory committee to the proposed health unit in Sooke Rural School District No. 62. He will represent Ward One, which includes Langford, Highlands district and Kaslo.

Parkville Ceremony

PARKVILLE, Nov. 14.—A Remembrance Day ceremony was held at the Cenotaph on Memorial Avenue by Mr. Arrowsmith Branch No. 46 and Quilicum Branch No. 70, Canadian Legion. Services were conducted by Rev. O. L. Patterson and Rev. H. P. Davidson.

ATTEND SPECIAL SERVICE

CAMPBELL RIVER, Nov. 14.—Twenty Canadian Legion members and their wives attended service in St. Peter's Church Sunday Rev. J. Moore and Rev. W. Nixon preached Remembrance Day sermons.

DUNCAN, Nov. 14.—The residence of Dr. H. N. Watson on Ypres Street is reported to have been sold to David Spencer, Ltd., Victoria, for \$12,000. It is believed the property will be occupied by the manager of the firm's local store, Cowichan Merchants, Ltd.

Mayor George Heads Committee Studying Civic Superannuation

Mayor Percy E. George was named chairman of the Union of B.C. Municipalities committee studying possible upward revisions in superannuation benefits for civic employees, during a meeting of the union executive in Vancouver earlier this week.

Other members of the committee are Mayor W. M. Mott of New Westminster, and Ald. Charles Jones, Vancouver.

Provincial Government with a view to curbing juvenile delinquency, Mayor George reported on his return from the meeting. It was suggested that the committee might be made up of police chiefs of the larger cities with the possible addition of probation officers.

The move by the executive follows a Victoria resolution urging action on the problem, which was adopted by the union convention at

suits of actuarial surveys being conducted to determine the cost of granting a request from civic employees.

How It Started

By JEAN NEWTON

"PARDON MY GLOVE"

Sticklers for conventions which they regard as good manners will not shake hands with gloves on; or, at the worst, they will say "Pardon my glove!"

Metaphorically, the man who does that is a knight in shining armor. For the custom comes to us from the days of chivalry, as we still call the institution of knighthood which took its name from a horse.

In those days a knight appearing publicly was encased in a suit of armor so heavy that old prints show a suit of armor being carried on a pole between two men. When meeting the right people the knight courteously lifted the vial of his protective metal helmet—another way of saying, "I am safe, in the presence of friends."

From that beginning we have our modern convention of the man tipping his hat. And in the same way, removing the glove before shaking hands made sense, then, when the glove was a metal gauntlet! That's how it started.

(Released by Bill Syndicate Inc.) players for an increase to \$50 of the basic monthly pension of \$30 a month now granted to employees with 30 years of service. Employees contribute to the pension fund.

President of the U.B.C.M. was empowered to appoint a committee to bring in recommendations to the

Gibson Forecasts End of Controls

COURTENAY, Nov. 14.—An end to price controls in Canada, probably in the early part of 1947, was foreseen by John Gibson, M.P. for Comox-Alberni, in an address before the Rotary Club here.

"With exception of export controls, I think all price controls will be removed in the first six weeks of the new season," Mr. Gibson said.

Opens New Building

CAMPBELL RIVER, Nov. 14.—Pioneer Hardware Store, owned by Carl Thulin, has opened a store measuring 34 by 80 feet. The new building is in charge of Seth Norton, and was constructed by W. J. Baldry.

NANAIMO LIBERAL PARTY

Annual meeting of the Nanaimo Federal Liberal Association will be held in Knights of Pythias Hall at Duncan at 1:30 p.m. December 2. The resolutions committee will meet at 10 a.m. and R. W. Mayhew, M.P., will address the gathering in the afternoon.

VISIT CHEMUNUS SCHOOL

CHEMUNUS, Nov. 14.—Activities in eight classrooms at Chemunus Elementary School were viewed by a large number of parents Wednesday afternoon. A buffet tea was served by Mrs. John Rubin and Mrs. Grace Evans.

JOHANNESBURG, SOUTH AFRICA

The return to long-haired styles is being achieved by Johannesburg women with the aid of camellia hair switches, so cleverly dyed that they are indistinguishable from the wearer's own locks. Real hair for making switches is difficult to obtain at present and is also expensive.

No Meeting Lately Hart Says On B.C.-Alaska Rail Project

Commenting on reports that New York interests were in Seattle last week in connection with the proposed building of a railway through British Columbia to Alaska, Premier John Hart said last night he hadn't met with American interests in connection with the project within the last two weeks.

From other sources it was learned that a company had been incor-

porated for the purpose of building a railway expansion to Alaska. This company, it was said, had no substantial financial resources, and was relying on a large land grant from British Columbia to carry out the project.

Premier Hart has already gone on record as saying the Province will give no land grants to any interests seeking to take over the Pacific Great Eastern Railway which runs 344 miles from Squamish to Quenah. The Provincial Government has already planned an extension of the line from Quenah through to Dawson-Creek, and would therefore want all the surrounding land which is believed to be rich in coal and oil potentialities.

It was understood that American authorities were in favor of any plan to build a railway through British Columbia to Alaska.

In Seattle, Senator W. O. McGowan said he had been authorized by the U.S. War Department to express its "entire willingness toward such a project."

Meantime, plans are under way in Alaska for what is believed to be one of the biggest developments in railway facilities in the history of the territory.

Extent of the activity was indi-

Lions Seeking \$1,000 More For Blue Baby

Another \$1,000 is needed by the Lions Club of Victoria if Janet No. 2—Victoria's second "blue baby"—is to have an operation on her heart in the United States.

The fund-raising campaign of the local service club commenced some time ago, and to date the response has been somewhat disappointing. L. Parley, chairman of the club's publicity committee, remarked yesterday. Business of the city will soon be approached for donations. Among yesterday's contributors to the fund was an old dame, pensioner of Mount St. Mary's Hospital. "It was not a large amount," remarked Mr. Parley, "but his heart was in the right place."

All members of the Lions Club are authorized to make collections for the "blue baby" fund. Each carries official receipt books.

The club raised more than \$4,000 for Janet No. 1 some time ago, and a balance of \$1,200 from that fund has served as the nucleus of the present campaign.

Municipal Briefs Of the District

The Greater Victoria school board hopes the new Dunsmuir Heights School for elementary students, under construction for more than a year, may be completed by Christmas. It will take care of between 250 and 300 students and was designed to replace Cedar Hill School. Shortages of building materials of all kinds have delayed completion by at least six months.

Permit for construction of a \$17,000 showroom and sales room for Victoria Super Service at 780 Pandora Avenue has been issued by the city building department. The contractor is W. J. Williams.

Permits were also issued yesterday to Mrs. Edith P. Anderson for alterations to a house at 2136 Quadra Street costing \$1,800; to T. E. Parkins for erection of a five-room house at 1829 Cook Street to cost \$5,000; to G. H. Pearce for a five-room house at 1410 Maple Street, \$5,000 and to T. G. Crawford for a six-room house at 325 Linden Avenue costing \$7,500.

Mayor and Mrs. George have been invited to attend a charity ball being put on by the Junior Auxiliary to St. Joseph's Hospital, November 28, to aid in raising funds for the proposed new million-dollar wing of the building.

YEOVIL, Somerset, England (CP)—A new record for house construction—erection of an aluminum house in 40 minutes 27 seconds—was claimed by Prefabricated Construction.

dent; G. H. Rochester, Ottawa, hon-

orary treasurer; Rear row: Philip

Fisher, Montreal; F. Gordon Wright,

Minneapolis, Minn.; Rev. Canon R.

D. Mose, Chatham, Ont.; Hon. C.

Cedar Shingle Sales Here Under Ceiling

While Prices Board officials in Vancouver have been checking the invoices of retail lumber dealers in the city against the sale of cedar shingles over ceiling prices, nothing like this has yet been done in Victoria, board officials said here yesterday.

"We have received no word to carry out any investigation into the matter of shingles being sold over prices in Victoria," a spokesman for the Prices Board declared.

Lumber dealers in the city said that while the ceiling prices here were slightly higher than on the Mainland, the margin of profit was about the same, taking a higher wholesale price into consideration. While most of the retail dealers were not quite satisfied with prices received under the ceiling for cedar shingles, all said they were observing Prices Board regulations.

"The main problem in Victoria right now isn't the price of cedar shingles, but the difficulty in obtaining them," one dealer explained. "Most of the persons building today are using asphalt shingles anyway, and apparently the cost price is secondary to obtaining them."

Pressure Canner Newest Appliance At Victoria Home

Latest equipment at the Aged Men's Home in Victoria is a new pressure canner enabling the staff to utilize for future use the produce from the garden at the home as well as gifts of fruit and vegetables. The canner was bought only six weeks ago, and since that time 200 cans of applesauce, and 50 cans of plums and chicken have been "put down" for the winter. The apples and plums came from the home orchard, and the chickens were killed from the flock which supplies eggs to the home.

As well as the processing apparatus, other innovations are also being made at the institution. Rooms of the 41 aged inmates are now being redecorated along with the recreation room in the building.

B.C. Salmon Pack 1,324,832 Cases

To date this year 1,324,832 cases of salmon have been packed in British Columbia. It was reported yesterday by the Chief Supervisor of Fisheries. This total includes Districts 1, 2 and 3.

Broken down, the totals are as follows: Sockeye, 542,639; springs, 8,041; steelheads, 4,105; bluebacks, 2,914; coho, 96,337; pinks, 116,411; and chums, 561,185.

The herring production report shows a total pack to date of 24,342 green tons from Districts Nos. 2 and 3. More than 224,796 cases of herring have been packed in "plain" pack, and 210,501 cases were packed in tomato sauce.

Other uses toward which the fresh herring have been put include bait, herring oil, offal meal and brine cured products.

Rae Peasland Radiant Bride in White Satin

Gorge Presbyterian Church was filled to capacity on the evening of November 8 for the marriage of Rae Elizabeth, younger daughter of Mr. and Mrs. H. M. Peasland, 3131 Donald Street, to Brian Sydney, son of Mr. and Mrs. Gilbert Calam of Salmon Arm, B.C. Rev. T. H. McAllister performed the ceremony during which the choir sang "The Voice that Breathed O'er Eden" and "The Lord's Prayer." Mrs. R. Percy sang "All Joy Be Thine" and the choir, of which the bride is a member, sang "O Perfect Love" during the signing of the register.

Entering the church on the arm of her father, the bride was radiant in an Elizabethan gown of white slipper satin, en train. Her veil fell from a pearl-trimmed coronet, held to the head by a braid of satin. A pendant of her mother's and a gold watch, a gift from the groom, and a shower bouquet of white mums and pink carnations completed her ensemble.

Mr. Herbert Hunt—the bride's sister, was matron of honor and wore rosebud sprigged white taffeta with pink net overskirt and carried a colonial bouquet of mauve and white mums.

The fair-haired little flower girl, Bonnie Hunt, wore a long maize taffeta dress with turquoise velvet bow on her wrist and carried a miniature colonial bouquet.

Miss Patricia Calam, the groom's twin sister, and Miss Joan Bucher, were bridesmaids, and were dressed alike in maize taffeta with turquoise net overskirts. They carried heart-shaped muffs of matching taffeta with turquoise frills. All three attendants wore braided velvet bandeaux to match their gowns.

Mr. John Calam, the groom's cousin, was best man and Mr. Howard Day, of Vancouver, and Mr. Herbert Hunt acted as ushers. At a reception at Hampton Hall Mrs. Peasland, wearing a gray dress and hat with turquoise plume, and Mrs. Calam in mauve dress and black hat with mauve plume, assisted in receiving the guests. White tapers in silver holders decorated the bride's table which was covered with a lace cloth and centred with a three-tiered wedding cake. Mr. Neil MacDonald proposed the toast to the bride.

For a honeymoon at Harrison Hot Springs, the bride traveled in a

Milk Subsidy Not Required

NANAIMO, Nov. 14.—During their annual convention here, Vancouver Island and Gulf Islands Farmers' Institutes turned down a motion that the Provincial Government be asked to assume the milk subsidy of 2c per quart recently discontinued by the Federal Government.

They also agreed to ask the Federal Government to grant more sugar to farmers for canning; to exempt farm help from payment of income taxes, and to abolish improvement taxes on agricultural land.

Other resolutions passed called for elimination of thistles from roadsides and railroad tracks, the placing of a bounty on raccoons, a closed season for willow grouse and pheasants in Cameron and Nanoose districts next year, compensation for damage to crops by elk in Oyster River district, and improvements to post offices, staffs and mail service on the island.

Officers elected were A. R. Hiscoll, Metcheman, president; W. A. Bunn, Shawnigan Lake, first vice-president; H. A. Mathewson, Cobble Hill, second vice-president, and J. F. Kneen, East Wellington, secretary-treasurer. Next annual meeting will be held at Nanaimo on August 28, 1947.

Y.P. Organizations

The regular meeting of the Christ Church Cathedral A.Y.P.A. was held on Wednesday with the president, Margaret McCulloch, in the chair. Rev. T. Leadbeater gave a short talk on the Prayer-Book. During the evening the members packed Christmas parcels for the Indian children of Kingcome Inlet. The members are asked to bring the rest of the things for the parcel next Wednesday.

day. November 19 the members of Group 3 will meet at the home of Mrs. Woods, Suite 101, 32 Marlborough Road, Corporate Communion will be held November 17 when all A.Y. members are asked to attend. There will be no badminton November 22.

LONDON (C.P.)—Col. N. K. Whitty has been appointed colonel of the Queen's Own West-Kent Regiment with which the Queen's Own Rifles of Toronto is affiliated.

Red Cross Notes

On a visit at the Red Cross workroom this morning the chairman found on her desk a box of beautiful sweaters and other warm garments for babies and children. This was sent through David Spencer Limited and the Red Cross wishes to thank the anonymous donor for these useful and generous gifts which will be forwarded immediately, caring comfort, and cheer to many little ones.
